How To Register:

All bidders are required to register for the right to place bids. A Registration Form can be found within the catalog. If you have bid with us in the past, you are registered and need only to call for your bidder number.

How To Place A Bid:

Absentee Bidding: Bidding is open upon receipt of the catalog and uploading of our website (www.hcauctions.com). You can bid by phone, fax or email. **All absentee bids must be received by Thursday, July 22nd at 6:00PM** (plus 10 minute rule.)

Maximum Bids: All bids are handled as “competitive bids.” This means that if your bid is the highest received, you will be billed only one increment above your under bidder. In the event we receive “tie maximum bids,” the earliest received will be the winning bid.

Call Back Procedure: We do provide Call Back Service by which we will call you in the event your bid has been exceeded. The Call Back Service applies to the following (1) the bidder is high on a lot at **\$500** or greater, **and** that bid is above our low price estimate (2) The bidder has requested a Call Back. We will attempt to reach “Call Back Bidder” throughout the auction period. Please note that many “Call Backs” occur as late as 11:00PM following the auction close. In the event that we are unable to reach the “Call Back Bidder” the item will be sold to the highest bidder.
